Good afternoon everyone,

We've had an exciting first week at Senator Joyce Fairbairn Middle School. We are all settling in and are excited about our new school year. We will send out a mid-week memo starting next week that will contain information about school events for the upcoming week.

We look forward to meeting everyone on Monday, September 9th 7:00 pm. The evening will start with an opportunity to meet your child's teachers and then will continue with a general information session in the gym at 7:30 pm.

Please feel free to contact the school should you have any questions. We will endeavor to make sure our website is current and up to date to make it easy for you to find information.

Enjoy your weekend!

Permission Forms

This year we are using a program that will streamline our permission forms. The software is called Permission Clicks and is designed to electronically manage the forms needed for school events. You will start to receive emails regarding technology agreements, athletics, skate park, and field trips. If you prefer, we can always print you a copy at the main office.
