

Drop-in

Math Fun for all Parents (and kids)!

An enthusiastic team from the university will draw you (and your kids) into fun activities that relate to the middle school math curriculum and real-world applications! Pick up some ideas that will encourage your kids to play with math at home!

What is my kid learning in math?
Can math be less painful?
You're joking about fun, surely?

Joy Morris is a math professor who is also a parent. She will be assisted by math education students from the university. Information will be aimed at middle school math, but all parents, all abilities, and all questions are welcome!

Wednesdays, 6:30-7:30
January 8-February 5, 2020
Senator Joyce Fairbairn
Middle School

**Kids of all ages are welcome
with Parents!**

With support from the Pacific Institute for Mathematical Sciences, Lethbridge School Division, and the University of Lethbridge.
