

Hello Lethbridge School Division Families!

Green Shirt Day is Tuesday, April 7th, 2020. It is a day that honours Logan Boulet and the Humboldt Broncos who were riding the bus to a junior hockey playoff game on April 6, 2018. Tragically, the bus was involved in a terrible crash, which resulted in the passing of 16 people. Logan was the only one able to donate organs. His story inspired over 100,000 Canadians to become registered organ donors. Green Shirt Day continues Logan's legacy and asks Canadians to *Register-Tell Your Family-Be Inspired*.

Lethbridge School Division is partnering with Vistaprint to bring official Green Shirt Day T-shirts to our schools. The new look t-shirt is \$22 online. We are offering the shirt at a **discounted price of \$13 including taxes and shipping** (delivered to your school). **New this year – we offer youth sizes!!!**

All sales are through school cash online <https://lethbridge.schoolcashionline.com/>. The sale is open now and **closes Tuesday, March 3**. The timeline is short to ensure delivery before April 7th. Please get the word out to your family and friends. A bulk order will be delivered to your school with the list of names and sizes (same as last year).

Shirts with the logo in **FRENCH** are available. If you are interested in a French t-shirt(s), contact me directly ([jj.ondrus@lethsd.ab.ca](mailto:jj.ondrus@lethsd.ab.ca)), so that I can confirm that there is interest.

If you are interested in other products, the Green Shirt Day website offers other products like long sleeve shirts, hoodies, toques, and jerseys. Those are sold exclusively through <https://greenshirtday.shop/>. The Lethbridge School Division partnership will sell short sleeve shirts ONLY.

Thank you for supporting Green Shirt Day.
