Good morning,

Below is information regarding registration, PowerSchool, and learning from home.

2020 - 2021 Registration

The Lethbridge School Division is in the process of developing an online registration form. We're hopeful that this will be available by the first week of May. Once that process is complete, we will relay all pertinent information as soon as it becomes available to us. For our current **Grade 6 and 7 students**, we will have option selections available online the first week of May.

For our **Grade 8 students**, the following is information from **Chinook High School** regarding their registration process:

PowerSchool

PowerSchool (PS) will be reopened on Monday, April 27 at 1:00 pm. Marks contained within PS will be up to date as of March 15. Feedback since that date is available for viewing in your child's Teams account. Due to the difference in program delivery, we are working to develop a valid method of merging two very different styles of learning and assessing student work.

Learning From Home Assignment Tab (<https://bit.ly/2VKHzCh>)

We have added to the front page of our website, a new tab to assist parents in supporting student learning from home. You will find links to student activities and timelines for each week. Teachers have been sharing these with students in Teams but we've added this feature to support parents who may not have direct and easy access to their child's Teams account. Should you require further information, please contact your child's teacher.

Sincerely,

Fairbairn Staff
