How to Track Progress

- ◆ Students can view grades and feedback given by their teachers under the Grades tab in their Assessment Groups.

Submitted = Assignment is completed and turned in.

Viewed = Assignment has been viewed, but not turned in for marking.

Returned = It has been given feedback or marked by a teacher.

Not turned in = It has not been open by the student.

Special Projects

Grade 8

Grade 8 Projects Team – Social & Science

All students belong to this group on TEAMS in addition to LA and Math. Materials and information are located in the same areas on the PROJECTS Team page.

- ◇ Every Monday morning, an assignment link is added to the General Page chat. It can also be found as a PowerPoint presentation under the *Links* in the **Class Materials Folder** and the **Assignments** section.
- ◇ Students should be following the directions on the PowerPoint carefully and independently taking study notes each week.

The screenshot shows a Microsoft Teams chat window for a group named 'GP'. The chat is currently displaying the 'Files' tab. The breadcrumb navigation shows 'General > Class Materials'. The file list contains two items:
