

Mid Week Memo – March 3, 2021

Announcement

Congratulations and best wishes to Mr. Bartlett who will be retiring at the end of this school year. We will sure miss you!! [Announcement](#)

Students Leaving School Due to Illness

We recognize that cell phones are a convenient way for students to contact parents when they aren't feeling well. However, it's very important that students let their teachers know what is happening. ***If your child contacts you from school and tells you they aren't feeling well, please ask them to tell their teacher immediately.***

Once the teacher has been informed, the office will be contacted, and the student will be brought to the infirmary where they will be asked a few short screening questions. Once this has taken place, an administrator will reach out to parents by phone to arrange for someone to come pick them up.

Student Instructional Hours and Non-Operational School Days

Lethbridge School Division superintendent Dr. Cheryl Gilmore has declared Friday, May 21 a "non-operational day" for Senator Fairbairn and G.S Lakie students. This means school will be closed for staff and students. For details, please see the attached letter: [LETTER](#)

Upcoming

March 19 – Professional Learning Day (no school for students)
