

Mid-Week Memo – May 26, 2021

Welcome!

We'd like to welcome Sophia Zruna, who will be teaching with us until the end of June. She will be taking over from Mrs. Booth, teaching grade 7 activity classes.

It's great to have students back in the building through the end of the year. Teachers will be in contact soon regarding end of year plans and schedules. The last day for grade 6 students is June 21st and for grade 7/8 students, June 25th. Grade 7/8 students will complete their final exams/activity between 9:00am and 11:00am each day and will be dismissed immediately following completion. More information regarding these schedules will be forwarded once plans are finalized.

The 2021 Census Needs Your Support

You may have heard that the 2021 Census is underway. It has been a challenging year for families, and the census might seem like another thing on your busy to-do list. However, we would like to encourage you to complete your census, if you haven't already done so. Census data helps governments at all levels plan for schools, transportation, community centres, libraries and recreational activities. Data from the 2021 Census will be even more crucial, because it will help to evaluate the impact of the pandemic and to better plan for the future. You can quickly and easily complete your census questionnaire at www.census.gc.ca using the access code you received in the mail. If you need assistance, or would like to have a paper (or alternate format) questionnaire, please call the Census Help Line at 1-855-340-2021. Thank you for doing your part to help plan for a better future for all Canadians.
