2023-2024 Option Selections

Option Selections for the 2023-2024 School Year will begin on Monday May 8th. Students will log into PowerSchool between Monday May 6th and Friday May 12th to select their desired options for the new school year.

Access PowerSchool [HERE](#)

[Grade 6 Options 2023 - 2024](#)

[Grade 7 Options 2023 - 2024](#)

[Grade 8 Options 2023 - 2024](#)

General Guidelines for Options:

- Review the options descriptions and decide which ones are of interest.
- The school year is divided into 3 terms, each term having 2 option blocks. This means students could potentially have six different options each year.
- Band is a FULL YEAR option. This means Band will take up 3 of the 6 option blocks.
- Some options have a supplementary fee to cover material and supply costs.

Reminders:

- This process does not prioritize preferred options, nor do we track who selects options when. Once all selections are entered for all students, our software will populate as many students with their requested options as possible.
- Selecting more options than required is better than selecting fewer. It helps create flexibility if some options fill up before others.
- You will learn what options you will be taking in the fall.
