Stem Highlight

Grade 6 STEM students followed the engineering design process to create balloon-powered cars! They worked collaboratively in small groups to test and improve their designs. The top car traveled over 25 feet!

Support Orange Shirt Day: Wear Orange on Friday!

This Friday, September 27, we encourage all students to wear orange to show support for Orange Shirt Day. Then, on Monday, September 30, everyone across Canada is invited to wear orange to honor the Indigenous children who were taken from their families and placed in residential schools. It's a day to recognize their experiences, support the healing journey of survivors, and commit to reconciliation.

During our SOAR period on Friday, the focus will be on Empathy and Orange Shirt Day, as we continue to build understanding and respect within our school community.
