FALCON ACADEMY'S MINI "MINUTE TO WIN IT" GAMES BRING FUN AND CREATIVITY TO SJF!

Mr. Sutherland's Falcon Academy students put their creativity and design skills to the test by crafting their own Minute to Win It games, and the results were nothing short of amazing!

From one-handed cup stacking to the hilarious challenge of maneuvering a cookie from forehead to mouth without using hands, students dreamed up exciting, fast-paced games that had everyone cheering. Their designs were both innovative and entertaining, proving that a little bit of imagination (and maybe some friendly competition) can go a long way.

Even Ms. Redman and Mrs. Beaudin couldn't resist joining in on the fun, taking on some of the challenges themselves! The event was a fantastic mix of teamwork, problem-solving, and laughter, showcasing the incredible creativity of our Falcon Academy students.

GRADE 6 ENERGY EXPO: A HIGH-POWERED LEARNING EXPERIENCE! ⚡🔬

Exciting News: Welcome to Our New House System!

We're excited to introduce a new tradition at Senator Joyce Fairbairn Middle School—the launch of our House System! Starting today, each student has been officially sorted into one of our school's Houses—your falcon family for the rest of your time here.

Each House is named after a falcon species native to Alberta and is represented by the color of the bracelet you received. For example, Prairie House is represented by black.

The House System is all about building community, fostering teamwork, and creating connections across grades. Throughout the year, you'll participate in activities, events, and challenges, guided by our SOAR philosophy:

- **Show empathy**
- **Own your actions**
- **Accept differences**
- **Be responsible for your learning**

Here's what's in store:

- **House Activities:** Earn points for your House in fun challenges and events.
- **Leadership Opportunities:** Older students can step up as leaders and mentors.
- **Community Building:** Regular meetings and activities to connect and collaborate.

We can't wait to see how you and your House contribute to making SJF an even more vibrant and welcoming school!

A Message from Mr. DeJong: Ensuring Student Safety During Winter Pick-Up Times

Dear Parents and Guardians,

We hope this letter finds you well. As we approach more inclement weather and more winter months, we would like to remind everyone of the importance of safety during pick-up times at our school.

Student Safety in Traffic

The safety of our students is our top priority. There is an expected increase in traffic congestion during pick-up times, and it is crucial that we all work together to ensure the safety of our students. We kindly ask all parents and guardians to be extra vigilant when driving near the school. Please watch for children who may be crossing the street unexpectedly or walking between parked cars.

Use of Crosswalks

We also want to emphasize the importance of using designated crosswalks. Students should always use the crosswalks when crossing the street. Darting out into traffic from between cars is extremely dangerous and can lead to serious accidents. We encourage parents to discuss with your children the importance of using crosswalks and waiting for the opportunity to cross safely.

Patience and Courtesy

We understand that pick-up times can be hectic, but we ask for your patience and courtesy. Please follow all traffic rules which will result in a safe and orderly pick-up of students. Your cooperation is essential in maintaining a safe environment for everyone.

Thank you for your attention to this important matter. Together, we can ensure that our students remain safe and secure.

U4-U6 Timbits: An introduction to soccer. All sessions ran by LSA Staff Coaches, with activities based around players exploring the soccer ball and getting comfortable with an invasion sport. Some small sided scrimmages may be played, but this environment is purely about the players gaining their first touches of a soccer ball.

U8-U10 Fundamental: Individual development is paramount by building a love of the ball. Sessions will challenge players creative side as well introduce them to skills needed in the game such as dribbling, passing and shooting. Scrimmages will be played, but no scores will be kept, and all players will be asked to experience all positions of a soccer match (goalkeeper, defender, midfielder, striker).

U12-U14 Learning The Game: This age is classed as 'The Golden Age Of Learning' where skills learnt in the earlier stages are now enhanced as well as an introduction to the tactical side of the game. Scrimmages will be played and although scores will be kept during the game, coaches and players are asked to keep games meaningful, competitive and to avoid blowouts at all costs. There will be no league standings.

U16-U18 Excel In The Game: Utilizing the technical understanding and tactical skills learnt in the previous three phases to excel in the game. Like the previous 'Learning the Game' phase, coaches are asked to avoid blowouts and keep games competitive throughout.
