BUS ROUTES

Welcome to Spring at SJF!

Spring has officially arrived (even if the weather hasn't quite caught up yet)! As the days get longer and the sunshine starts to stick around, there's a renewed energy in the air at SJF.

As we embrace this fresh start, let's also remember to keep our school a safe and welcoming space for all. That includes following our parking guidelines—check out the reminder below! 🚗🚦

🚗 Parking Safety Reminder 🚗

To keep our students, staff, and families safe, we kindly ask everyone to follow our parking guidelines at SJF:

- **Use designated drop-off zones** – Please avoid stopping in the middle of the road to drop off or pick up students.
- **No parking in bus zones at any time** – This lane is designated for buses only and must remain clear at all times.
- **Keep a close eye out for pedestrians** – Many students walk to and from school, so please stay alert and drive slowly in school zones.

Use the crosswalks – For everyone's safety, always use designated crosswalks when crossing the street.

U4-U6 Timbits: An introduction to soccer. All sessions ran by LSA Staff Coaches, with activities based around players exploring the soccer ball and getting comfortable with an invasion sport. Some small sided scrimmages may be played, but this environment is purely about the players gaining their first touches of a soccer ball.

U8-U10 Fundamental: Individual development is paramount by building a love of the ball. Sessions will challenge players creative side as well introduce them to skills needed in the game such as dribbling, passing and shooting. Scrimmages will be played, but no scores will be kept, and all players will be asked to experience all positions of a soccer match (goalkeeper, defender, midfielder, striker).

U12-U14 Learning The Game: This age is classed as 'The Golden Age Of Learning' where skills learnt in the earlier stages are now enhanced as well as an introduction to the tactical side of the game. Scrimmages will be played and although scores will be kept during the game, coaches and players are asked to keep games meaningful, competitive and to avoid blowouts at all costs. There will be no league standings.

U16-U18 Excel In The Game: Utilizing the technical understanding and tactical skills learnt in the previous three phases to excel in the game. Like the previous 'Learning the Game' phase, coaches are asked to avoid blowouts and keep games competitive throughout.

Cost: \$250, plus hidden processing fee

Why a modified season?
